

## Sheboygan South Girls Basketball

Hello,

I am reaching out on behalf of our non-profit Fast Break Club in hopes that you will consider, sponsoring our Girls Basketball Program this season. Our Fast Break Club is the fundraising arm of our program and over the years has significantly invested to help maintain a first class Girls Basketball program here at South High School.

Various sponsorship levels are on the following page for your review. Every dollar will be greatly appreciated by our Redwing student-athletes and their families. By making a donation to our Girls Basketball Program, there's no question you will help strengthen our program. By making a donation you will be recognized in our game programs and team website with a link to your webpage.

If you have any questions about the sponsorships or program in general, you are welcome to contact myself or Ellyn Hansen directly.

Thank you for your support,  
Chris Horen,  
Treasurer Fast Break Club  
South Girls Basketball
